## **TRANSITION SIGNALS**

Using transition signals within and between paragraphs will make it easier for your reader to follow your argument because your writing will be more logical and coherent. Below is a list of words used to link/signpost ideas, depending on the direction of your argument/discussion.

Additional comments  Additional comments  Additional comments  Begin and additional comments  Additional comments  Additional comments  Alternatives  Altern	link/signpost ideas, depending on the direction of your argument/discussion.		
either; neither nor; not only but also; similarly; correspondingly; in the same way; indeed in fact; really, in reality; it is found that as for; as to; with respect to; regarding  by contrast; another way of viewing this is; alternatively; again; rather; one alternative is; another possible is; likewise on the one hand on the other hand; vice versa; conversely; in comparison; on the contrary; in fact; though; although therefore; accordingly; as a result so, (then,) it can be seen that; the result is; the consequence is result from this; consequently; now it can be seen; then; that; it is evident that because of this; thus; hence; for this reason; owing to x; this suggests that; it follows that in other words; otherwise; in that case; that implies  however, nonetheless; in the final analysis; despite x; notwithstanding x; in spite of x while x; may be true, nonetheless although; though; after all; at the same time; on the other hand; all the same; even if x is true; although x may have a good point  that is to say; in other words for example; for instance; namely, an example of this is and; as follows; as in the following examples; such as; including especially; particularly; in particular; notably; chiefly; mainly; mostly in other words; rather; or; better; in that case  Feephrasing  Re-phrasing  Re-phrasing  Feephrasing  Feephrasi		addition
